

STOWMARKET MODEL RAILWAY CLUB

# Club Information

Meetings held every Tuesday evening from  
7.30pm at our clubroom at Stonham Aspal

BRITISH RAILWAYS

## **About The Club**

*The club was originally formed as the 'Stowmarket Railway Club', in 1977. It was subsequently transformed into the 'Stowmarket Model Railway Club' in 2021, in order to better align with the interests of the majority of the membership.*

*The aim of the club is to promote and foster interest in all aspects of model railways in a pleasant and sociable atmosphere. All members are welcome to work as part of a team constructing a model railway layout, or, if they prefer, they can just enjoy the club's facilities and chat with other members.*

*The club can also offer advice and encouragement to members who are interested in building their own model railway at home.*

## **Events**

- *Meetings held every Tuesday evening at 7.30pm.*
- *Train & Model Fairs held in March and October.*
- *Club Exhibition in June.*
- *At other Exhibitions/Shows where requested.*

## **Scales & Gauges**

*O Gauge, OO Gauge, OO Gauge 3-Rail, HO Scale, N Gauge and N Scale are currently in use at the club.*

*If sufficient club members wish to construct a layout in another gauge/scale, then the club would be happy to support them.*

## **Membership**

*Annual subscription is currently £80, which can be paid in instalments if necessary.*

*Please note that the club does not admit members under the age of 16 unless accompanied by an adult member.*

## **Next Steps**

*If you've read this far, then why not come and see us?*

*If you are considering joining the club, then you are warmly invited to join us for a few evenings (free of charge), to enable you to meet the members and to get an idea of what the club offers.*

*To arrange a visit, please contact us by email or via our Facebook group.*

*We look forward to welcoming you at our club rooms.*
